14:00 – 14:20  Seminar: Explore your Future at the University of Melbourne  

*Presented by Professor Andrew Ooi*

At the University of Melbourne you will gain an international recognised degree that opens doors to an outstanding future. Flexible yet focussed, our undergraduate degrees enable you to reach your full potential. After you’ve completed your first degree, you can choose to continue on to graduate study. A graduate degree will set you up to become a leader in your field, and open up a wider range of career opportunities and earning potential.

14:20 – 14:30  Victorian Connection  

*Presented by Ms. Celia Yeo, Education Director – SE Asia*

Victorian State Government of Australia

14:30 – 15:00  Seminar: Preparing Students for a World Class Education  

*Trinity College Foundation Studies Program*

*Presented by Mr David Bunyan*

Preparing to study at a world class institution like the University of Melbourne requires students to be equipped with the ability to think critically and independently, and to communicate clearly and effectively. For more than 25 years Trinity College Foundation Studies has been preparing high achieving students with the academic skills necessary for success in their university studies. Each year around 80% of Trinity College Foundation Studies graduates are offered places in the University of Melbourne undergraduate courses. This seminar will provide an overview of the Foundation Studies program and its entry requirements.

15:00 – 15:30  Seminar / Alumni Panel: The Melbourne Experience  

Hosted by Professor Andrew Ooi

The Melbourne experience is more than just lectures and study sessions. You will enjoy amazing new experiences whilst making lifelong friends along the way. Hear from Melbourne alumni to find out what it is like to live in the world’s most liveable city, learn about the University’s clubs & societies, student services, accommodation options and where are they now.

15:30 -18:00  Expo: Trinity College, Undergraduate and Postgraduate Study at Melbourne University

You will have the opportunity to speak to a staff member from the faculties and graduate schools:
