15:00 – 15:30 Seminar: Preparing Students for a World Class Education

Trinity College Foundation Studies Program

Presented by Mr David Bunyan

Preparing to study at a world class institution like the University of Melbourne requires students to be equipped with the ability to think critically and independently, and to communicate clearly and effectively. For more than 25 years Trinity College Foundation Studies has been preparing high achieving students with the academic skills necessary for success in their university studies. Each year around 80% of Trinity College Foundation Studies graduates are offered places in the University of Melbourne undergraduate courses. This seminar will provide an overview of the Foundation Studies program and its entry requirements.
