## Table 1: 2016 Australian undergraduate subject fees

The subject fees in table 1 set out the basis for calculating your tuition fees but do not necessarily represent the fees for a typical undergraduate enrolment. The fees shown in table 1 are for each 100 credit points (1 EFTSL)<sup>1</sup> of study in that discipline fee band. Most undergraduate courses require students to enrol in subjects from more than one discipline fee band for a total study load across all subjects of 100 credit points per year.

Please note there are no Australian fee-paying places available to commencing domestic undergraduate students in 2016.

## Table 2: 2016 Australian graduate course tuition fees

The course fees in table 2 set out the basis for calculating your tuition fees showing the fee for each 100 credit points (1 EFTSL)<sup>2</sup> of study in that course (2016 Australian course fee).

The table also provides an estimate of the tuition fees for the first year of the course, and an indicative total course fee. These fees are provided as a guide only and are based on a typical study load for students commencing the course in semester one 2016. Please note that unless indicated:

- The estimated fee year 1 assumes a full-time study load, commencing semester one, and is for 2016 only.
- The indicative total course fee assumes a full-time study load over the duration shown, commencing semester one 2016 with indexation of the 2016 Australian course fee at 5 per cent per annum for every additional year of study.
- It is assumed that courses less than one EFTSL duration are completed in less than one year and in 2016.
